The Center for Health and Gender Equity (CHANGE), the United Nations Population Fund (UNFPA) and World YWCA invite you to participate in a workshop:

Expanding Access to Female Condoms through Strategic Partnerships and Informed Advocacy

**Thursday, August 7, 2008
16:30-18:00
Skills Building Room 9
XVII International AIDS Conference
Mexico City, Mexico**

This workshop will focus on cultivating skills for community mobilization and informed advocacy around female condoms and will explore successful efforts to increase access to female condoms. Participants will strategize about the knowledge, partnerships and tools necessary to launch a successful advocacy campaign aimed at expanding access to female condoms.

A female condom demonstration and samples of the product will be provided!

Co-facilitators:

Bidia Deperthes, HIV/AIDS Technical Advisor for Comprehensive Condom Programming, UNFPA

Sophie Dilmitis, HIV and AIDS Coordinator, World YWCA

Serra Sippel, Executive Director, Center for Health and Gender Equity (CHANGE)
