

International AIDS Conferences

ICASO is a permanent community member of the Conference Coordinating Committee (CCC), tasked with developing the theme and program for the the 21st International AIDS Conference in Durban, South Africa in July 2016 ([AIDS 2016](#)), and previous meetings. The theme of AIDS 2016, Access Equity Rights Now, reflects the need to leave no one behind as we work together to end the global AIDS pandemic. To find out more about how you can participate, visit our [AIDS 2016 Community](#) site.
